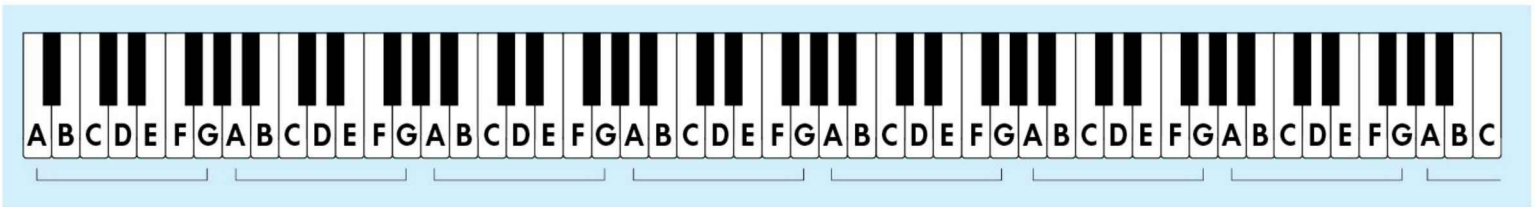
UNIT 3

The Music Alphabet

Each white key on the piano has a name that comes from the music alphabet.

The music alphabet has **7 letters**: A B C D E F G



- Write the music alphabet. _____ _____ _____ _____ _____ _____ _____ _____

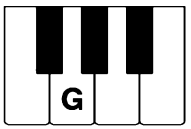
start again with?

Alphabet Warm-up

Use the third finger supported by the thumb.
L.H. plays the lower notes, R.H. plays the higher notes.

1. **Play** and **say** the white keys. Start with the lowest key, **A**, and end with the highest key, **C**.

2. Practice finding **G**s within the 3-black-key group.



3. Beginning on any **G**, **play** and **say** the music alphabet *going down* the entire keyboard. What is the lowest note?
   It may help to chant the letters in groups, like this:
