

Let's Buy Lemonade

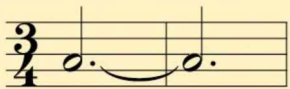

Counting the Tie

The Tie

A tie is a curved line connecting two notes on the *same* line or space.

A tie means the note will be played *once* but held for the length of both notes combined.

count: 1 - 2 - 3 1 - 2 - 3

Pretend you are buying a glass of lemonade. **Each beat = one penny.**

1. Connect these notes with a **tie**. Write the total number of beats for each tie.
2. Now connect each glass of lemonade to the matching number of pennies below.
